

The background of the image is a photograph of an industrial facility, likely a gas processing or distribution plant. It features a complex network of large, yellow-painted pipes and valves. Two workers in blue uniforms and hard hats are visible: one in the middle ground and another in the foreground walking towards the camera. The ground is paved with grey bricks. In the far background, there are green trees, a fence, and distant mountains under a clear sky. A yellow banner is at the top of the image.
